

SUMMARY FOR
Nurse Practitioner Update No. 46

1. Add a statement that persons and entities that are excluded or debarred under state or federal law, rule or regulation are not eligible to enroll or remain enrolled as a Medicaid provider.
2. Remove incorrect information from the Nurse Practitioner Provider Policy manual and include correct information that extension of benefits for nurse practitioner services are not available when provided to individuals ages 21 and older are not available.
3. Add clarification of nurse practitioner services as they relate to occupational, physical and speech therapy services.
